**To Whom This May Concern At The Embassy of the United States of America - Dhaka, Bangladesh,**

Please accept this letter of request to grant a **B-1** visa to Md. Mizanur Rahman.

My name is Shea Writer. I am a co-founder and CEO of PAYYAP LLC -- the world's first and only voice biometrically-driven payment solution for business merchants.

In MAY 2017, PAYYAP™ was an honored finalist at the Citi™ Bank "Tech for Integrity" International Fintech Open -- due in part to Mr. Rahman's insightful branding skills.

Mr. Rahman has been working as a part-time graphics design contractor for PAYYAP LLC since NOV 2015 -- facilitating all of our logo and promotional design efforts.

Along with myself, and other members of the PAYYAP™ team, we require that Mr. Rahman be available to attend the Money 20/20™ Expo in Las Vegas, NV (OCT 21 - 24) -- the world's largest payments and financial services event.

However, prior to (and following) the event in Las Vegas, we further require that Mr. Rahman be available to meet face-to-face and consult with several PAYYAP clients, and also with our US-based team in Austin, TX.
